Nature & Cultural Journeys
for the Discerning Traveler

LINCOLN CHILDREN'S ZOO

CORDIALLY INVITES YOU ON A WILDLIFE EXPLORATION OF

MANITOBA, CANADA

IN SEARCH OF THE "LORD OF THE ARCTIC"

NOVEMBER 4 TO 10, 2019

YOUR ITINERARY

DAY 1~MONDAY~NOVEMBER 4

LINCOLN/WINNIPEG, MANITOBA

Your journey begins as you gather in Winnipeg, Manitoba. Nestled in the heart of Canada, at the junction of the Red and Assiniboine Rivers, Winnipeg offers a unique blend of lifestyle, commerce and culture. With a population of over 670,000, the city boasts 36 museums, over 900 restaurants, 17 theatres and the famous festival Folklorama.

Upon arrival in Winnipeg, proceed to your hotel, located just less than one mile from MTS Centre. Each of the guestrooms is fully equipped with top of the line facilities and amenities. Relax and enjoy at the on-site spa and health club or go for some delicious cuisine at their onsite restaurant.

After a chance to settle in, meet up with your naturalist guide and have a briefing on your upcoming program. Enjoy dinner at your hotel tonight and get to meet your fellow travelers. Overnight at the INN AT THE FORKS. (D) <http://www.innforks.com/>.

DAY 2~TUESDAY~NOVEMBER 5

WINNIPEG

After a hearty breakfast at your hotel, venture out for a day's exploration of Winnipeg. Begin at the famed Manitoba Museum, the province's largest heritage center renowned for its combined human and natural heritage themes. The institution shares knowledge about Manitoba, the world and the universe through its collections, exhibitions, publications, on-site and outreach programs, Planetarium shows and Science Gallery exhibits. The Museum's collections reflect the heritage of Manitoba and other regions of the world. Eight interpretive galleries explore the history and environment of the province from its northern Arctic coast to its southern prairie grasslands. The Museum is noted for its Urban Gallery, which recreates Winnipeg in the 1920s, and the full-size replica ship *Nonsuch*, whose voyage in 1668 led to the founding of the Hudson's Bay Company.

Also visit the Fort Whyte Nature Centre, one of Canada's premier outdoor education and recreation facilities. Fort Whyte features over 400 acres of

woodlands, wetlands, grasslands and lakes. You will have some time set aside to explore some of the center's highlights, including a 70-acre Bison Prairie and viewing mound, interpretive trails, family treehouse, bird-feeding stations, floating boardwalks, and songbirds, deer and waterfowl in their natural habitat. The Interpretive Centre features fascinating exhibits, including the Aquarium of the Prairies (Manitoba's largest indoor aquarium.) You will also see The Forks - one of the loveliest public spaces in Winnipeg, it is an expanse of riverside property in the heart of downtown Winnipeg. A true urban oasis, The Forks has a 6,000-year old history yet holds numerous options for dining and shopping alongside natural and man-made wonders.

Later, tour the Assiniboine Park Zoo and enjoy a presentation by a Zoo representative. The Zoo currently boasts over 1,800 animals of 300 different species in its collection, including such spectacular and popular favorites as the Siberian tiger, polar bear, snow leopard and monkeys. Due to local weather conditions, the Zoo specializes in cold-hardy species from northern latitudes and mountain ranges. Established in 1904, the Zoo has a long record of displaying and breeding rare and endangered species, such as Bald and Golden Eagles and musk ox. Through cooperative efforts with other zoos, most of the animals have been bred in captivity, lessening the need to capture animals from the wild. Overnight at the INN AT THE FORKS. (B,L,D)

DAY 3~WEDNESDAY~NOVEMBER 6 WINNIPEG / CHURCHILL

Depart your hotel on a morning flight for Churchill, located 700 miles to the north (the same latitude of Stockholm, Sweden.) It is here each year, in the fall, along the west shore of Canada's Hudson Bay, where one of the world's most fascinating wildlife events occurs. There's no better place to see some of nature's most magnificent sights, from massive polar bears to the spectacular northern lights of the Aurora Borealis. The town of Churchill is situated in the 7,250-square-mile Cape Churchill Wildlife Management Area. This ecological sanctuary is home to over 150 species of birds, 500 species of plants and 44 species of mammals. As you explore the tundra, you are apt to see Snowy Owls, Eider Duck, Willow Ptarmigan, Gyrfalcons, lemmings, Arctic fox, caribou and of course, the "Lord of the Arctic" - the polar bear. The ecosystem supports a diverse range of life, including plants and taiga (sub-arctic) forest that have adapted to the harsh surroundings. Among the sights: 100-year-old spruce trees that are scarcely 10 feet tall; lichens, miniature shrubs and flowers that burst into a blaze of colors in the spring; and plants that sprout and produce leaves, blossoms and seeds - all in a month's time.

The wildlife management area was established in 1978 to protect the polar bear. You'll see these giant creatures forage for food in the summer or hunt seal on the ice of Hudson Bay in the late fall. The bears spend the entire winter on the ice. Only pregnant bears move to traditional dens, where they will give birth to cubs weighing a mere 1-1/2 pound.

Your home for the next three nights will be in Churchill, a small town of about 800 people on the barren, rocky coast of Hudson Bay in Northern Manitoba. It originally was a trading post for furs, then a whaling community. Now, its main boast is that it is the only easily accessible human habitat where polar bears can be seen in the wild.

From November through mid-November, more than 1,200 bears migrate from their summer ranges along the bay south of Churchill up to the capes where the ice forms the earliest and will support their weight so they can begin their annual hunt for seals, their primary source of food.

Upon arrival in Churchill, you will tour the local and historical points of interest such as Cape Merry, the port of Churchill, Miss Piggy and Manitoba Conservation's Polar Bear Holding Facility. Drive through town and head west toward Cape Merry which provides stunning views of the Hudson Bay shoreline and the distant Prince of Wales Fort across the Churchill River. Stop by the notorious plane wreck, "Miss Piggy"; this plane (apparently) carrying a cargo of pigs met its rocky demise in 1979. Visit the facility of the Polar Bear Alert Program which was established in 1980. The program is unique, and receives a large number of media and group presentation requests each year. The priorities of this program include:

- *protecting human life from polar bears*
- *protecting polar bears from harassment or the need to be euthanized*
- *minimizing damage to property from polar bears*
- *minimizing the potential of food conditioning and/or human habituation of polar bears*
- *ensuring the safety of Manitoba Conservation and Water Stewardship staff working with the Polar Bear Alert Program*

After lunch visit the Eskimo Museum which was created as a labor of love by the late Jacques-Marie Volant, a member of the clergy who worked toward the preservation of the Inuit culture. Started in 1948, the museum presents an exquisite collection of contemporary Inuit art and also houses sections devoted to the history of the Inuit and life in the Arctic.

Churchill's fame as the polar bear capital is due to the town's proximity to the bear's traditional migration route and because the taiga region just south of town is one of the largest polar bear denning areas on earth. As many as 100 pregnant females make their way there to spend the winter, emerging each spring with between 150-200 cubs. Another 500 to 600 bears gather every autumn in the area where they wait for the bay to freeze so they can cross the ice to hunt the seals that live there.

Your home for three nights, located on a quiet side street in the northern town of Churchill, will be basic, yet clean and

comfortable. The inn has 31 spacious and comfortable rooms all with en suite bathroom, cable television, telephone, and refrigerators. There is free Wi-Fi in all the rooms. Tastefully furnished, you will find this to be a comfortable home away from home in the tundra. Overnight at TUNDRA INN. (B,L,D)

DAY 4~THURSDAY~NOVEMBER 7 CHURCHILL

Your day begins with a hearty breakfast before departing on the half-hour to 45-minute ride to the tundra, where your buggy is stationed. From here, you'll travel the tundra, looking for polar bears and other fascinating wildlife. Exploring on the tundra buggies is an adventure in of itself. These all-terrain vehicles lumber across the tundra at a leisurely pace. Expert guides accompany you, leading you through the wilderness to discover the polar bears. From a height of nearly 15 feet, the buggy provides the best view of the bears in their natural habitat. While your vehicle is heated, the

windows are open for photography. When there is a strong breeze, the temperature inside can drop well below freezing. The vehicle floors are metal, so do wear warm footwear, with wool socks and thick soles. Driving over the tundra can be rough, but the seats are padded and upholstered. There is a deck on the back of the vehicle which can be used as a viewing platform when the bears are not close. Remember, polar bears are carnivorous and wild, so they can be dangerous. Therefore, keep your arms and heads inside the "Tundra Buggy" when bears are nearby. You'll stay in the tundra till late in the afternoon, and return to your comfortable Inn when it gets dark.

While on the tundra, your meals will be provided in picnic form, including hot items such as soup! Lunches will consist of hot soup, bread, hot beverages and soft drinks.

A Polar Bears International species expert will join you on board the Tundra Buggy for an in-depth discussion on polar bears and their habitat. The only conservation organization in the world whose sole purpose and focus is on polar bears, this organization's mission is 'to conserve polar bears and the sea ice they depend on. Through media, science, and advocacy, they work to inspire people to care about the Arctic, the threats to its future, and the connection between this remote region and our global climate.'

On one of the evenings in Churchill (*weather permitting*) you will return to the tundra to view the infamous Northern Lights. If the sky is not overcast, the Aurora Borealis (meaning "dawn of the north") will add another treat to this night's excursion. Throughout a single night, the auroral display varies in intensity and form according to a process known as the auroral substorm. The light is produced by a high vacuum electrical discharge, a passage of electricity through thin gas usually accompanied by a glow, arc or spark. Energy from the sun creates the Aurora and the color depends on the type of atoms and molecules struck by the energetic particles. A very scientific explanation for a mystical and unpredictable phenomenon which will leave you spell-bound and enveloped in the glorious moving art above! The fire and light of the aurora borealis fills the sky over Churchill with astonishing frequency. The erratic dance is accompanied by changing colors. The aurora is about 80 miles above the ground but local lore has it that if you whistle at the aurora, it will make them dance and come down to the ground.

Overnight at TUNDRA INN. (B,L,D)

DAY 5~FRIDAY~NOVEMBER 8

CHURCHILL

Today offers another day on the tundra. Besides the star attraction polar bear, there are close to 150 bird species that congregate in Churchill each summer and fall, including the Tundra Swan, Horned Grebe, Snowy and Short-eared Owls, Golden Plover, Arctic Loon, Snow Goose and Sandpiper. You may also spot the heart-warming Ross's Gull or the Willow Ptarmigan, which changes from its brown summer coat to a wintry white coat.

The Arctic Tern makes the most amazing journey, traveling twice each year from pole to pole (13,000 miles) thus receiving more hours of sunlight than any other creature on earth. One can also spot various fox species while the ringed seal makes the river its home each spring. Beluga whales are also a treasure and can be spotted each summer. Over 5,000 of these creatures populate Hudson Bay with 3,000 frequenting the Churchill River in order to feed on the fish that teem there.

Scores of polar bears gather along the shore near Churchill, Manitoba waiting for the bay to freeze to begin the annual hunt for their choice prey, seals. Polar bears are normally solitary creatures, but in Churchill, at this time of year, they gather, often even mothers and cubs. Polar bears are the world's largest land-dwelling carnivores. These magnificent animals, which average in weight from about 500 pounds for females to well over 1,000 pounds for males, have been called "The Lords of the Arctic." They are skilled hunters, with keen noses that can detect odors 20 miles away and pick up the presence of seals under three feet of ice and snow. They have no natural enemies and therefore no fear.

Tonight, enjoy a wine and cheese reception where a Polar Bears International representative will have a presentation on the polar bears.

Overnight at TUNDRA INN. (B,L,D)

DAY 6~SATURDAY~NOVEMBER 9

CHURCHILL/WINNIPEG

Your morning begins with an exhilarating dogsled excursion hosted by a local resident and dog sledding expert. You will learn about the historical significance of dog sledding in the north as well as enjoy an exhilarating ride behind a strong team of huskies on a custom-made sled.

You will also have a chance for an optional helicopter ride (*at an additional cost*). Your pilot will be a truly experienced polar bear research aviator. Your aerial tour gives you a bird's eye view of polar bears, arctic foxes, caribou and wolves. The helicopter ride is a 60-minute tour.

Schedules, accommodations and prices are accurate at the time of writing. They are subject to change.

CLASSIC
Escapes

After lunch, visit the Parks Canada Interpretive Centre for an educational presentation about the history of the Churchill area. Later, transfer to the airport for your evening flight back to Winnipeg. Return to your hotel and enjoy a farewell dinner. Time to reminisce about all the bears you've seen and the wild adventure you had in the north.

Overnight at the GRAND WINNIPEG AIRPORT HOTEL. (B,L,D) <https://www.lakeviewhotels.com/hotels/grand-winnipeg-airport-hotel/>

OPTIONAL HELICOPTER TOUR IN CHURCHILL

Experience the majesty of Canada's largest ecosystem from a few hundred feet (approximately 328 feet) above the ground on a one-hour helicopter excursion. You will set out from the town of Churchill in a three- or six-passenger helicopter with an experienced interpretive pilot and fly across the desert-like tundra and northern sections of the boreal forest in search of wildlife, including polar bears, moose, ringed-seals, caribou, and Arctic fox.

Adventure Highlights

The changing landscape

- The aerial tour includes historical sites such as the Ithaca shipwreck and the Prince of Wales Fort, which played a key role in the 18th-Century French/English rivalry for control of the territory and resources around Hudson Bay.

Delving into the history

- Covering more than half of the country, Canada's boreal forest is alive and teeming with waterways and plant-life. You'll begin at the most northern tip of the boreal forest before sweeping northward over the frozen desert-like tundra, far above Manitoba's tree line.

Plenty of Wildlife spotting

- The tour takes guests directly over Wapusk National Park, home of Legendary Cape Churchill and elusive 1,500 lb. sparring polar bears. The helicopter tours are adapted daily to the migration patterns of the animals which enable you to experience the best wildlife viewing and photographic opportunities.

At present, the cost is \$550 per person, currently subject to change. Reservations are required in advance. Please indicate on your reservation form if helicopter is required. If due to weather the helicopter ride is not possible, the cost will be refunded to travelers upon their return. There's no refund if travelers cancel while on tour.

THINGS YOU NEED TO KNOW

Winnipeg

Every effort will be made to provide all the touring in the itinerary, but it is dependant on arrival and departure times from your home city. We will do our utmost to give enough time at the marvelous Manitoba Museum, Assinaboine Zoo and fit in Fort Whyte Nature Center as best we can. Please understand that due to time constraints these tours might be rushed, or amended.

Churchill

The weather could be cold and quite windy. Snow may be on the ground hindering walking. Layering and warm clothing is essential. You must be able to climb the stairs of the tundra vehicle as well as of your hotel. It can be cold in the buggy and essential footwear, thermal undergarments, parkas and appropriate clothing is highly recommended. Our operator provides gear rental as follows:

- Canada goose parka - CAD \$25 per day, currently
- Canada goose pants - CAD \$20 per day, currently
- Baffin boots - \$15 per day, currently

If any of these items are required, contact us to make the arrangements.

General

- True adventure in travel can sometimes be accompanied by unexpected changes in conditions, itineraries and occasionally your accommodations. Participants should travel with a spirit of adventure and flexibility. Remember to pack your patience and sense of humor! Be willing to look past self-imposed ideals of Western amenities and do not compare these new experiences with your life back home.
- Travel often includes visiting destinations with modest infrastructures and a bending definition of comfort. Accommodations in Churchill are comfortable, but quite rustic.
- Participants should generally be in good health.

Air Schedules

Choosing the best possible air arrangements for our travelers is always a challenge. We work with many airlines that offer the best level of service, routings and value for our programs. While there may indeed be more direct routings available with another airline, the cost of these flights may not be within the budget that allows us to give you the best value possible. If you prefer to purchase your own international air, please feel free to choose the "land only" rate for this program. **The start and end city for this program is Winnipeg, Manitoba.**

Upon registration, you must provide your full legal name as it appears on your passport. In the event an airline ticket is issued with incorrect information you have provided, you will be responsible for charges associated with reissuing the ticket.

CONDITIONS OF TRAVEL:

REGISTRATION

HOW TO BOOK: Fill out and sign the enclosed reservation form and send it, along with the relevant deposit as shown below, to: CLASSIC ESCAPES, 58-25 Queens Blvd., Woodside, NY 11377. Upon receipt of your signed reservation form and deposit, we will, subject to availability, reserve your spot on the tour. You may consider your booking confirmed when you receive a confirmation notice and invoice from us.

PAYMENTS

DEPOSIT: A deposit of \$1,000 per person must be submitted at the time of booking. Deposits may be paid by check or charged to American Express, MasterCard, Visa or Discover.

FINAL PAYMENT: Final payment is due 95 days before departure (August 1, 2019) – you will receive a final invoice. Final payment is payable by check or money order ONLY.

RATES: Rates are based on the minimum number of guests outlined in this document, plus airfare costs, currency exchange rates and other factors and are subject to change. Though it is rare for Classic Escapes to make a price adjustment after promotion of an itinerary, we do reserve the right to assess a surcharge if the minimum is not met, or if increases are forced upon us by airlines or other partners or because of changes in currency exchange rates.

NOT INCLUDED: Cost of passport and visa fees, and service charges for obtaining visa fees; excess baggage charges levied by airlines; laundry and other items of a personal nature; optional travel insurance policy; cost for anything not specifically included in listing above.

SINGLE SUPPLEMENT: The quoted rate is valid for the first two single rooms booked and on a first-come, first-served basis. If more than two single rooms are needed, an additional supplement may apply. Single accommodations are not guaranteed, but will be provided at additional cost if available (see reservation form for cost.) The single room supplement pays for privacy, not better accommodations. For passengers who are traveling alone and wish to share a room with another tour member, we will do our best to provide a roommate. However, if this is not possible, you will be required to pay the single room supplement prior to your departure from the USA.

GRATUITIES AND TAXES: Gratuities for baggage handling, service charges and taxes imposed by hotels, and entrance fees to all points of interest as outlined in the itinerary are included. U.S. and foreign airport taxes are included in air costs. Tips to drivers and naturalist are NOT included.

CANCELLATIONS, DEVIATIONS & CHANGES

TRAVEL INSURANCE: We recommend travel insurance. Travel insurance can provide financial reimbursement should the unexpected occur.

CANCELLATION POLICY: Cancellations are only effective on receipt of written notification. The following per person fees are applicable on this tour:

- Up to August 1, 2019: deposit is non-refundable
- August 2 to 31, 2019: 75% of tour cost
- After August 31, 2019: 100% of tour cost

CHANGE FEES: Once you reserve your tour, changes are possible at a fee of \$150 per person subject to availability of air or land space at the time of request. Should there be any change fees imposed by airlines or ground operators, or additional costs incurred due to availability of any space, this cost will be invoiced to you.

SPECIAL ARRANGEMENTS: We would be happy to make additional travel plans for you, including specially arranged pre- or post-tour extensions different than those that may be offered in conjunction with this tour. A service charge of \$150 per person (over and above the cost of the services required) will be assessed.

DOCUMENTS

PASSPORT & VISAS: The onus is upon the guest to ensure that passports and visas are valid for the countries visited and for the applicable time period, as outlined by the U.S. Department of State (travel.state.gov) or by the passport holder's country. Classic Escapes, their staff and their agents cannot be held liable for any visas, etc. not held by the guests, nor for the cost of obtaining visas.

PRE-DEPARTURE INFORMATION: Upon receipt of your registration and deposit, we will send a pre-departure packet to you. This packet contains all the information you need to prepare for your tour, including the complete itinerary, packing checklist, required documents, etc.

FINAL DOCUMENTS: Final documents and tickets will be sent to you approximately two weeks prior to departure, provided all monies have been paid in full.

TRANSPORTATION

AIR TRANSPORTATION: Roundtrip, economy-class flights via DELTA AIR LINES and/or other IATAN carriers are between LINCOLN and the destination city noted in the itinerary. Rates are based on special promotional fares; cancellation fees apply once tickets are issued. Departures from other cities in the USA are possible at additional cost; inquire at the time of reservation. Please note that these promotional fares are subject to 10 passengers traveling together on the same airline routing and itinerary. If this minimum is not met, the special group rates are not applicable and it might become necessary to issue instant purchase tickets earlier than when final payment is due in order to take advantage of airfares that are similar to the group rates. Should this occur, you will be contacted with the details.

AIRLINE SEATING: For DELTA AIR LINES, we request seats together for the group. All planes are non-smoking. We can request a seating preference on your behalf, however requested seats cannot be guaranteed. Requests should be made in writing no later than 60 days prior to departure. Bulkhead and/or emergency row seats can only be requested at airport check-in on the day of departure. Boarding passes will only be issued at the airport on the day of departure. You may inquire about seat changes during check in, based on availability and is at the sole discretion of airport staff.

FREQUENT FLYER MILEAGE: As mentioned, we work primarily with DELTA AIR LINES. For a list of the airline's partners, visit http://www.delta.com/content/www/en_US/skymiles.html. You may obtain frequent flyer mileage on any of these carriers. Present your frequent flyer card for all flight check-ins and keep the boarding passes until you receive a statement with the mileage credit

TRANSFERS: Roundtrip airport transfers are included in the tour for guests arriving on group flights.

TRIP DETAILS

ACCOMMODATIONS: You will marvel at the wonderful accommodations provided throughout your tour. All rooms have private bathroom facilities and heating. All rates are based on double occupancy. Most rooms are twin-bedded, but king-size beds are occasionally available and should be requested in advance. Accommodations listed in this itinerary are correct at time of writing, but on rare occasions may be substituted for a different property of comparable quality.

MEALS: All meals as specified in the itinerary. Please notify us if you have special dietary needs or requests, and we will do our best to accommodate.

INOCULATIONS: When it comes to vaccination and disease prevention, we suggest that travelers first review information provided by the U.S. Centers for Disease Control and Prevention (www.cdc.gov/travel) and then review those details with their personal physicians.

WATER: It is always advisable to drink bottled and/or filtered water when traveling overseas. Safe drinking water will be provided to travelers free of charge in the vehicles and during meals.

BAGGAGE: On average, international flights from the USA allow one piece of checked luggage, each not exceeding 50 pounds; however, we always recommend that you check your airline's policy just before departure, as luggage limitations are always subject to change. Despite this weight allowance, we always suggest guests travel light. Also, soft-sided duffel bags are ideal for this tour, as they stow best in vehicles, cabins and airplanes with limited space.
